The old Codex also suggested somewhere between 5000-6000 "if certain accounts are to be believed" which places a level of uncertainty on the number, and if you consider the above statement would sound reasonable if you took Helbrecht at his word about the availability to Black Templar soldiers and could easily show how the Administratum has been misled into thinking the Templars are much ...

### Black Templars - 1d4chan

This Codex was written as a hobby project with the intent to address three main issues with the current Black Templar Codex. With the introduction of the 5 th edition Warhammer 40,000 rules, the Black Templar rules were affected in strange ways. The changes I have made here attempt to fix some of the changes for the sake of balance.

### BLACK TEMPLARS - bluesfart.com

As mentioned earlier, Black Templars are notably non-compliant when it comes to the Codex Astartes. As such, their heraldry is quite unique. Since they eschew the traditional battle company and squad formation of codex chapters, these types of markings are not present on their armor.

### The Black Templars - Goonhammer

The Black Templars may not have its own faction codex anymore, but we've been given some level of uniqueness from our vanilla Space Marine brethren. Thus, we've become an army of finesse. We don't have the speed that the Blood Angels have, nor do we have the versatility of the Space Wolves. But that doesn't make us bad, quite the opposite in fact.

### Black Templars 101 - Implausible Nature

The Black Templars are THE largest loyalist ("codex following") chapter, . the back of the 4th edition Codex: Black Templars, the deployment map totals greater . The Black Templars use to have their own codex back in 4th and 5th edition ( someone will correct me if I'm wrong XD).
