Death of a Salesman encompasses the last 24 hours in the life of 63-year-old failed salesman Willy Loman. Narratively speaking, not many events occur in that period of time. Rather, the play's primary focus is the relationship between the various characters.

### **Death of a Salesman Summary - ThoughtCo**

Death of a Salesman is not set during the Depression but it bears its mark, as does Willy Loman, a sixty-three-year-old salesman, who stands baffled by his failure. Certainly in memory he returns to that period, as if personal and national fate were somehow intertwined, while in spirit, according to Miller, he also reaches back to the more expansive and confident, if empty, 1920s, when ...

Winning the Pulitzer Prize in 1949, Death of a Salesman has to this day remained a classic. The play's intellectual appeal lies in Miller's refusal to portray his characters as two-dimensional — his refusal to involve himself in a one-sided polemic attack on capitalism. Even critics cannot agree as to whether Death of a Salesman
