This key introductory OU level 1 law module is taught entirely online and considers the nature and role of law. It examines the role and function of a legal system by considering why laws develop, how laws are created, interpreted and applied and the role that law plays in regulating and administering justice within a society.

W101 | An Introduction to Law | Open University

The World Law Dictionary Project. English may be the common language of the world, but the Common Law is not the common law of the world. That's why, in a unique project, TransLegal has teamed up with leading law schools from around the world to create an online multilingual law dictionary linking the world's legal languages to a single English law dictionary.

Introduction to International Legal English

Acces PDF Introduction To Legal English 1 Routledge

Law commonly refers to a system of rules created and enforced through social or governmental institutions to regulate behavior, with its precise definition a matter of longstanding debate. It has been variously described as a science and the art of justice. State-enforced laws can be made by a group legislature or by a single legislator, resulting in statutes; by the executive through decrees ...
