Loneliness: Human Nature and the Need for Social ...

Health and well-being for a member of our species requires, among other things, being satisfied and secure in our bonds with other people, a condition of “not being lonely” that, for want of a better word, we call social connection.”. — John T. Cacioppo, Loneliness: Human Nature and the Need for Social Connection.

Loneliness Quotes by John T. Cacioppo

Romantic loneliness is a common and probably the most relatable of all the types of loneliness. It exists independent of friendships and family company. As a part of human nature, we crave the company and intimacy of a romantic relationship. There is just another layer of companionship that friends can't provide us, so we long for love.

Loneliness: Human Nature And The Need For Social ...

University of Chicago social neuroscientist John Cacioppo unveils his pioneering research on the startling effects of loneliness: a sense of isolation or social rejection disrupts not only our thinking abilities and willpower but also our immune systems, and can be as damaging as obesity or smoking. A blend of biological and social science, this book demonstrates that, as individuals and as a society, we have everything to gain, and everything to lose, in how well or how poorly we manage our ...
