categories on the left side of the page to quickly see free Kindle books that only fall into that category. It really speeds up the work of narrowing down the books to find what I'm looking for.

Macroeconomics Chapter 8 Test

Chapter 8 derives and discusses the relation between unemployment and inflation, known as the Phillips curve. Chapter 9 develops the IS-LM-PC (PC for Phillips curve) model which takes into account equilibrium in the goods market, in the financial markets, and in the labor market. It shows how this model can be used to understand movements in activity and movements in inflation, both in the ...

Macroeconomics in Context (Goodwin, et al.) Chapter Overview This chapter introduces you to the basic topics of macroeconomics, and presents the main macroeconomic goals: 1) living standards growth, 2) stability and security, and 3) financial, social, and ecological sustainability. The chapter highlights that the goal of

Student Study Guide

Going through each chapter and then the problem set of the chapter is really challenging and it takes a long time. To cut a long story short, it's probably the most technical and difficult book you can think of if you want to study macroeconomics. But, obviously, it is the one that pushes you at the frontier. If
