Modernity Britain: Book Two: A Shake of the Dice, 1959-62 ...

About Modernity Britain. David Kynaston's history of post-war Britain has so far taken us from the radically reforming Labour governments of the late 1940s in Austerity Britain, through the growing prosperity of Family Britain's more placid 1950s, to the very cusp of the 1960s and the coming of a new Zeitgeist in Modernity Britain.The first part, Opening the Box, 1957-59, plotted the main ...

Modernity Britain by David Kynaston | Waterstones

This is the second volume of "Modernity Britain" (though now available as one book). It is, as always with Kynaston an excellent read and in my view superior to its companion volume "Opening the Box 1957-59).

Modernity Britain: A Shake of the Dice, 1959-62 by David ...

A long book (820 pages with footnotes) covering a short period (1957-62). This is the 3rd volume of David Kynaston's 'New Jerusalem' sequence of books covering the history of post war Britain. This period of history is an increasingly crowded market but Kynaston stands out. His books are more social history than political or cultural history.
