BlackBerry 8350i Basics - Sprint

Yes, any Nextel iDEN phone will work as a Boost phone, though doing so generally requires that the user obtains (i.e., pays for) a Boost SIM card. So switching over to Boost isn't that big of a deal. Actually, I believe in most cases, switching from Nextel to Boost is simply tweaking the system on Sprint's end to use your particular SIM as a ...

I've recently encountered a new indicator showing on the main screen of my 8350i (Nextel) Blackberry Curve. I've looked through the user manual and I just can't find it anywhere. I looks like an image of a Blackberry phone showing the front looking at the screen and with a Direct Connect button on the left side.
