Your World The

understand our world.

From the spread of  
diseases and waiting in  
lines to drug testing  
and lotteries, many  
events and outcomes  
in our lives can be  
explored through the  
use of simple models.

dependent entirely on one's ability to survive in the face of indeterminate odds. Ironically, those 'laws of the jungle' exist even today on modern human society - and while we may not be dealing with life and death situations around every corner we are dealing with sufficiently life altering critical 'win or lose' based constructs.
