Derek Parfit Reasons and Persons

(PDF) Derek Parfit Reasons and Persons | Juliana Chumak ...

Derek Parfit's Reasons and Persons is considered a must read in contemporary ethics. The problem is that it is basically only accessible for those who are already experienced with ethics, and particularly the dense work of many of his predecessors, particularly Henry Sidgwick, to whom Parfit is often compared on the dust jacket.

Reasons and Persons by Derek Parfit - Goodreads

Reasons and Persons Derek Parfit Abstract. This book has four loosely connected parts. Part One discusses some ways in which theories about morality and rationality can be self-defeating. Such theories give us certain aims, but also tell us to act in ways that frustrate these aims.

Reasons and Persons - Oxford Scholarship

Challenging, with several powerful arguments, some of our deepest beliefs about rationality, morality, and personal identity, Parfit claims that we have a false view about our own nature. It is often rational to act against our own best interests, he argues, and most of us have moral views that are self-defeating.

In *Reasons and Persons*, [Parfit's] clipped prose, with its repetitive sentences, poetic cadence and sly humour becomes the vehicle for a depth and range of insight rarely matched in recent philosophy. (Kieran Setiya, *Times Literary Supplement*) Very few works in the subject can compare with Parfit's in scope, fertility, imaginative resource, and cogency of reasoning.
