Rules For A Proper Governess

A governess is a largely obsolete term for a woman employed as a private tutor, who teaches and trains a child or children in their home. A governess often lives in the same residence as the children she is teaching. In contrast to a nanny, the primary role of a governess is teaching, rather than meeting the physical needs of children; hence a governess is usually in charge of school age ...

A literary genre is a category of literary composition. Genres may be determined by literary technique, tone, content, or even (as in the case of fiction) length.They generally move from more abstract, encompassing classes, which are then further sub-divided into more concrete distinctions. The distinctions between genres and categories are flexible and loosely defined, and even the rules ...

Foundations of Nursing - SlideShare

Her dress was tailored in the traditional "governess" style over her large frame. Actually, she appeared quite solid and fit looking for a woman of her golden years. Her greying hair was pulled back into a severe tight bun which accentuated her high forehead and arched eyebrows. She was not beautiful, not even pretty, but matronly in an institutional sense – a very institutional sense.
