Sacred Economics | Charles Eisenstein

So, thank you. And it just so happens that gratitude is the foundation of sacred economics. It's a very ancient idea that the universe runs by the principles of the gift. That human life runs by the principles of the gift. And that in fact the purpose for our existence, the reason why we're here, is to give.

Sacred Economics: Money, the Gift, and Society in the Age ...

He asks those who read Sacred Economics to consider what this gift might be worth to them, and if they deem it useful, to pay him in thanks or pay it forward. For me, this review is my way to pay it forward. Sacred Economics: Money, Gift & Society in the Age of Transition Charles Eisenstein Evolver Editions, 2012

Homepage for Sacred Economics: Money, Gift, and Society in ...

I've read many books on money over the years, while most contain great ideas and insights, few have truly changed me. This is one that has. While I'm still processing much of what is in Sacred Economics, the spirit of the gift that underlies its message has left me feeling less more grateful, more generous, more connected, and more safe.
