Scientific American magazine Vol 2. No. 3 Oct 10 1846 The ...

Scientific American began publication with the August 28, 1845 issue, as a weekly serial. A new series, numbered again from Volume 1, began with the July 2, 1859 issue. It went to monthly publication for the November 1921 issue (ending a separate monthly serial that had started with a January 1920 issue).

Scientific American archives - University of Pennsylvania

Scientific American (informally abbreviated SciAm or sometimes SA) is an American popular science magazine. Many famous scientists, including Albert Einstein, have contributed articles to it. It is the oldest continuously published monthly magazine in the United States (though it did not become monthly until 1921).
