Hello! I don't have online references for this article, as it mainly came out of what I already know about early childhood writing development. One book I really like is Words Their Way, which begins with this early stage of writing and moves into later spelling stages.

Teaching tips for children in different stages of writing ...

It's the longest learning phase in writing development and can extend over several years. Children can turn off the key sounds at this stage, if this support is not needed. When children are able to spell more than 75% of the words correctly, it no longer makes sense to 'translate' their writing in the adult text field.

Stages of Writing Development - WriteReader

The CHRIST stages mark the developmental journey of growing in faith and grace. We tend to cycle through these stages and may or may not experience the later ones. (LIFE in CHRIST is the theme of one of four TLC Retreats/Trainings in Soul Shepherding's two-year certificate program in Christian Spiritual Formation and Soul Care.)
