If you are looking for Indie books, Bibliotastic provides you just that for free. This platform is for Indie authors and they publish modern books. Though they are not so known publicly, the books range from romance, historical or mystery to science fiction that can be of your interest. The books are available to read online for free, however, you need to create an account with Bibliotastic in order to download a book. The site they say will be closed by the end of June 2016, so grab your favorite books as soon as possible.

How to Read Stock Charts for Beginners - YouTube

Stock charts are graphs that show you how a stock behaves over a period of time. For example, stock charts can help you track a stock's up or down movement and may indicate the best time to buy or sell a stock. Stock charts help you figure out your next investment or assess your current investment strategy.
