Story Physics Harnessing The Underlying

Story Physics: Harnessing the Underlying Forces of Storytelling is a bit mechanistic in its approach to novel writing. It's aimed, I think, at those writing popular fiction. That's fine, but of limited help for anyone else. That said, there is always something to learn from theses 'how to' guides.

Story Physics: Harnessing the Underlying Forces of ...

The basic essenses of Story Physics are the underlying forces that make the core competensies effective. In essence, as Larry explains, the writer has six things that need to be put into a story (core competencies)...and six reasons (forces) why they should. I highly recommend both Story Engineering and Story Physics.
