Roach, now a senior fellow at Yale University's Jackson Institute for Global affairs and School of Management, describes the danger of the relationship in his new book, "Unbalanced: The codependency of America and China. "For a long time, it all appeared to be the ultimate sweet spot for the United States and China," Roach writes.

Book Review: Unbalanced: The Codependency of America and ...

Codependency frames America's choices in a stark light. Like China, it needs to set aside the false assumptions of a now antiquated recipe for growth, and it must embrace rebalancing. A rebalanced U.S. economy, one that saves more and draws much greater support from capital spending and exports, will be well positioned to sustain growth in the years ahead.
