Understanding the F-word: American Fascism and the Politics of Illusion. David McGowan. iUniverse. 2001 - Political Science - 264 pages. 0 Reviews. By offering a radical review of the last one hundred years of US history, this work is intended as a counterpoint to the rampant revisionism of the flurry of books glorifying the "American Century".

Understanding the F-word: American Fascism and the ...

This is the second book I've read by author McGowan. This one is written in three parts. Part 1 is a well-written arugument supporting the author's position that the United States is, in fact, a fascist state (corporate control, nationalism, racism, militarism, no real differentiation between political parties, etc.) Part 2, a review of a century of American presidents) reverts to the style ...

Feudalism was the dominant form of political organization in medieval Europe. It was a hierarchical system of social relationships wherein a noble lord granted land known as a fief to a free man, who in turn swore fealty to the lord as his vassal and agreed to provide military and other services. A vassal could also be a lord, granting portions of the land he held to other free vassals; this ...
