Unequal Democracy The Political Economy

Using a vast swath of data spanning the past six decades, Unequal Democracy debunks many myths about politics in contemporary America, using the widening gap between the rich and the poor to shed disturbing light on the workings of American democracy. Larry Bartels shows the gap between the rich and poor has increased greatly under Republican administrations and decreased

INEQUALITY, DEMOCRACY & OLIGARCHY ...

The work of social scientists, philosophers and other scholars offer many definitions of political inequality. Political inequality's conceptual roots are temporally deep and spread-out in many disciplines. Read together, they point to the idea that political inequality is at once a dimension of democracy and a dimension of stratification.

Unequal Democracy | GPA Guide

Citizens who feel that democracy failed to improve their economic condition are often vulnerable to the appeal of political leaders with authoritarian tendencies. To counteract this trend, liberal democracies must establish policies that will reduce socioeconomic disparities without violating liberal principles, interfering with economic growth, or ignoring the consensus of the people.

Poverty, Inequality, and Democracy | Journal of Democracy

Indeed, one of the most central models in political economy, due originally to Meltzer and Richard (1981), suggests that high inequality in a democracy should lead the politically powerful (in their model the voter at the median of the income distribution) to vote for higher levels of taxes and redistribution, which would partially offset rising inequality.

Can democracy help with inequality? | VoxDev

Using a vast swath of data spanning the past six decades, Unequal Democracy debunks many myths about politics in contemporary America, using the widening gap between the rich and the poor to shed disturbing light on the workings of American democracy. Unequal Democracy: The Political Economy of the New Gilded ...

Most countries are getting more and more unequal. But the core of democracy is political equality: that everyone should have an equal say in how their country is run. Can we really expect these things to go together? Can people have equal political power while economic inequality grows and grows? Take this course and decide for yourself.
