Influences, personality, and impact. To a modern reader, the greatest problem in Horace is posed by his continual echoes of Latin and, more especially, Greek forerunners. The echoes are never slavish or imitative and are very far from precluding originality. For example, in one of his satires Horace wrote what looks at first like a realistic account of a journey made to Brundisium (Brindisi, on Italy's "heel") in 37 bc.
